QParents is coming

Great news: Coombabah State High School is proud to be one the first schools in Queensland to offer QParents, as part of a pilot program in the first half of 2015.

The QParents web and mobile application provides a more convenient, easier way for parents and legal guardians of Queensland state school students to interact with their child’s school. Parents will have secure, online access to their child’s student information, anytime, anywhere, through a smartphone, tablet or computer.

QParents allows parents to connect instantly with their child’s school to access and manage their child’s student information, including:

- Attendance and absence details, as well as the ability to notify the school of an absence
- Behaviour details
- Academic report cards
- Class timetables
- Viewing unpaid invoice details, payment history, and making payments online
- Viewing and updating personal student details, including medical conditions and address
- Enrolment details

QParents will assist both staff and parents in sharing and responding to information in an efficient and effective way.

We will be sending out invitations for parents to register for QParents in week 7 of Term 2. QParents won’t replace the traditional ways you communicate with our school, but it will provide another way to communicate with us.
