Ever thought it would be cool to see all the assessment you have due in one place?

Well now you can! I'll explain how you can find your own Assessment Planner.

Step 1: Log onto OneSchool

If you're on a school computer, find this icon and doubleclick.
Otherwise, just type this address into your favourite browser.

When you logon, this will bring up your very own page in OneSchool.
Step 2: Find Your Assessment Planner

From this drop down menu, click on Student Course Planner.

Click on Assessment and then Generate Report.
This will bring up your planner that lists all the assessment you have due.

Now you have a list of all your assessment, it's time to get organized and achieve your best.

Good luck!
