This is matched against the student's demonstrated achievements or goals in relation to playing Rugby League. Please provide evidence of state and national level achievements if including these as part of the application.

Please note: For Year 8-12 admission only, an interview will be conducted by the Program Director.

9. **IMPORTANT: Progressive and Annual Reviews.** Acceptance into the Rugby League program at a particular Year Level does not lead to automatic acceptance in the following year. Attendance, academic outcomes, effort, behaviour and progress in the program are **regularly reviewed**. Students are required to consistently maintain high levels of commitment to remain in the program.
